Subject: Special Events Program
U. S. Pavilion at EXPO '67

On behalf of the U. S. Commissioner General for EXPO '67, Ambassador Stanley R. Tupper, and the entire staff of the United States Pavilion, I want to express my sincere appreciation for your participation in our program.

With close to 300 groups taking part during the six months of the exposition, and almost 20,000 individual performers involved, it is impossible to thank every one personally. I do want each one of you to know, however, that the program succeeded beyond our expectations and added significantly to the impact of the United States contribution to "Man and His World".

Thank you to all of you whose talent, dedication and enthusiasm contributed to our success, and our best wishes for the future.

Sincerely yours,

Richard d'Anjou
Special Events Officer
