To the Yale Russian Chorus Alumni,

On behalf of Yale University I express congratulations and best wishes to the Yale Russian Chorus Alumni, and Founding Conductor Denis Mickiewicz, on the occasion of your 60th anniversary. We are thrilled that you have returned to the university to celebrate with a gala concert in Woolsey Hall.

Throughout the years, you have brought honor to this institution not only through the excellence of your music, but also through your significant contributions to international understanding and peace. Your university salutes you on this very special evening.

Sincerely,

Peter Salovey
President
